Career Objective: To be able to serve and work for betterment for the company. I want to explore in this field and know new facts in that field which comes with every year passing. I would try to utilize whatever I have learned in my B.Tech career.

Qualification:

Course	Institute	Board/University	Year of passing	Percentage of marks/CGPA
B.Tech (EE)	Silicon Institute of Technology, Sambalpur	BPUT	2021	8.71
12 th	Nalhati H.P. High School	WBCHSE	2017	85.80
10 th	Nalhati H.P. High School	WBBSE	2015	88.86

Project:

- **Title:** 3-Ø grid-connected inverter for PV system coupled with high step-up DC-DC converter
Organization: Silicon Institute of Technology
Duration: 3 months
- **Title:** Novel High Step-Up DC-DC Converter for Distributed Generation System
Organization: Silicon Institute of Technology
Duration: 3 months
- **Title:** Temperature Sensor
Organization: Silicon Institute of Technology
Duration: 1 month

Certifications:

- Completed a certification course in Internet of Things from Internshala Trainings
- Completed Vocational Training in Nalco Damanjodi

Technical skills:

- Basic knowledge of MATLAB
- Basic knowledge of PSIM
- Basic knowledge of C
- Basic knowledge of html

Workshop & Seminar:

- Attended a workshop on Electrical and electronics Devices
- Attended seminar on Industrial Lectures on Power System
- 2 weeks Vocational Training in Nalco Damanjodi

Awards and Achievements:

- Got certificate of merit from Nalhati Byabasayee Samiti
- Won Silver medal in Star Talent Examination
- National means-cum-merit scholarship by Government of West Bengal

Extracurricular activities:

- Member of Silicon Robotics Club
- Completed 1st and 2nd year in drawing from Bangiya Sangeet Parishad

Personal details:

- **D.O.B:** 07-11-1999
- **Languages known:** Hindi, English, Bengali
- **Father's name:** Premnath Kshirohari
- **Mother's name:** Bani Kshirohari
- **Hobbies:** Drawing and playing MCOC
- **Address:** Napit para, P.O.-Nalhati(T.S.),PIN-731243,Dist.:Birbhum,State: West Bengal
