

Miss. Saniya Abdulrazak Bagban

Address : Pawar Paradise, Plot No.39, R.K. Nagar, Shahapur, Ichalkaranji.

Contact No.: 7083444509 , 7507977680

E-mail: saniyabagwan121198@gmail.com

Date Of Birth: 12 November 1998

Branch: - Electronics and Telecommunication Engineering

**Career Objective**

Would like to use my knowledge for the development of company and also like to improve my knowledge by learning new technologies ,learning new software's and would like to work on challenging Projects and work in challenging environment as yours.

Computer Skills

- Programming language : C, Basic Python programming , Java , HTML.
- Software's : Keil , MATLAB.
- MS Office (Power point , Word , Exel , Outlook) , Windows Xp , Windows 8 , Windows 10 .

Apprenticeship

- Completed 42 days training of Machine learning at Internshala.
- Completed training of Ethical Hacking and Cyber Security at social spectra.
- Complete 5 days training of "Embedded System Design & Internet Of Things(IOT)" under TEXAS INSTRUMENTS.

Academic Projects

- **Third year project: "8 Channel Quiz Buzzer Circuit Using Microcontroller (8051)"**

Here in this project, an Automatic Quiz Buzzer System in which, when more than one team presses the buzzer, the delay between the two button presses is accurately taken into account and the corresponding number is displayed.

- **Final Year project "Drone Delivery System"**

The presence of COVID-19 has forced the world to present new implementing measures which will also widen the use of drones in civil and commercial and social application ,especially now in the delivery of medicines for medical home care. And also deliver food products in less time. It will decrease environment pollution and it can deliver faster than road way deliveries.
